**Hunter:** My name is Hunter and I'm eight years old.

**Shelby:** My name is Shelby and I'm five.

**Riley:** My name is Riley and I am six and two quarters. That's how old I am.

**Aiden:** And I'm five.

**Aiden's Friend:** Um...His name is Aiden and he likes playing Legos. He likes playing sports with me and... He...uh... Likes to do what I like to do. Right?

**Hunter:** In gymnastics the top part falls off but like not the bottom part because the bottom part has the headband around it.

**Riley:** But it can fall off like this but it still is attached. And then I could put it back on.

**Shelby:** When I don't have my hearing aids on it feels like, um, I only can see and nobody talks. And when it does, I feel like people can talk.

**Riley:** The skiing teacher wears the FM for when he's, um, talking I could hear him. And if he says, "stop," I could stop. Once I got past my teacher. I'm really fast.

**Shelby:** I like to spend time with my class. Right now, we're learning about animals, where they live. Right now, we're talking about, um, animals that live in the rain forest.

**Aiden:** Had my game today and I tagged someone out. Ran all the way to home plate and touched it with my foot before they got there. If I can't hear, I just keep asking until they say um, um, say yes.

**Hunter:** What was the question again?
